

Welcome to Nursery

www.colton.org.uk

Who works in our Nursery?

Our Nursery staff are Mrs Nelson and Miss Nistor

You will find one of us on the door each morning ready to welcome you.

We are very friendly, you will soon get to know us 😊

If you have any concerns/ issues, please feel free to talk to any member of staff

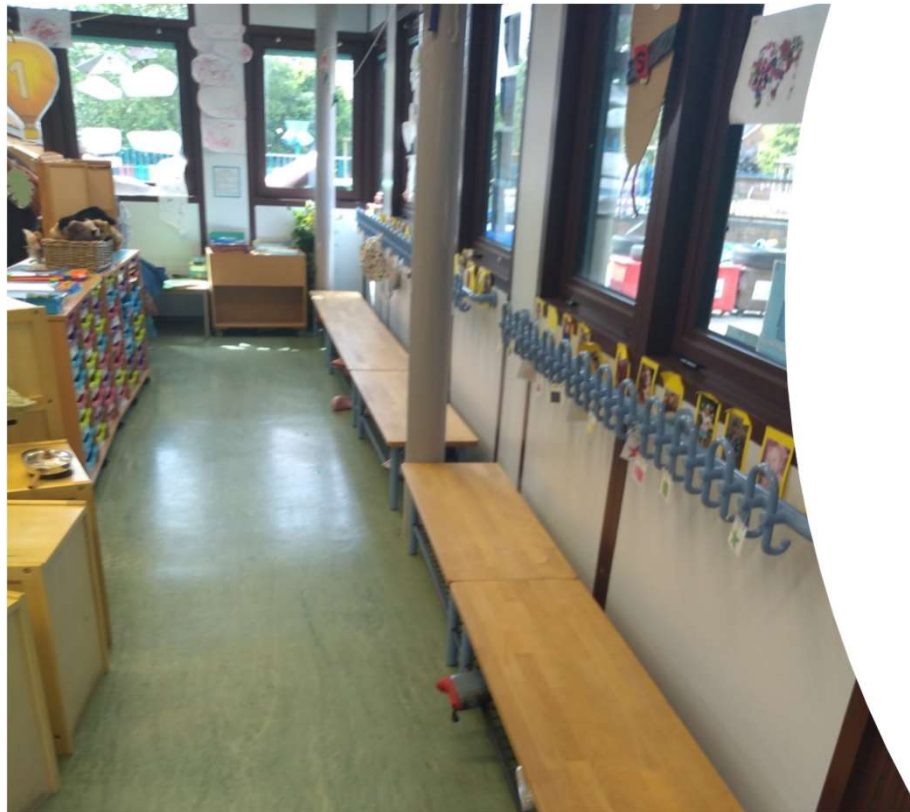

Nursery routine

- We have a very flexible timetable in Nursery
- We have a mixture of carpet sessions, free play and small group activities
- We always have a story or singing time at the end of the day where we can sit down together on the carpet and enjoy a snack as well
- Milk is available for those children who wish to have it

Take a look inside our Nursery.....

When you arrive at Nursery, come in and find your peg with your name on for your coat and put away your water bottle

Once these jobs have been done you are free to explore and get busy

If your child is also having a packed lunch then there is a special place where the lunchboxes are kept

Our Sand Area

This is our sand area.
You can build a
sandcastle, make sand
sandwiches and even
find a shell or two!

Here are our painting and sticking areas

Our malleable area

We have a malleable area where you can explore play-doh, clay, slime and even pasta!

Our reading area

We have a lovely reading area where you can come and get comfy while having a look through some of your favourite books

We like to do lots of mark making in Nursery. Do you think you would like to come and draw a picture for someone in your family?

In the fine motor area you can practise your threading skills or do a jigsaw!

We also have a fantastic outdoor area where you can play and explore

School Dinners

For those children who are having a school lunch, your child will be able to select from the three options available on the day. Staff will be on hand to help the children, but they will be encouraged to carry their own tray and clear it away once they have finished.

Healthy Lunchbox

If your child is bringing a packed lunch the please can you ensure that it is healthy. It may include

- Sandwich/Pasta
- Pieces of fruit/Vegetable sticks
- Small sausages
- Yogurt/Jelly

Colton Kids Club

Colton Kids Club is our wrap around childcare that we provide for all pupils

Please contact Colton Kids Club or the school office on for more information
