

At Colton, we believe that every child is a mathematician. We strive to equip children with the essential skills and knowledge that they will need in their daily life beyond school. We are passionate about fostering an enjoyment of maths and the satisfaction of solving a complex problem.

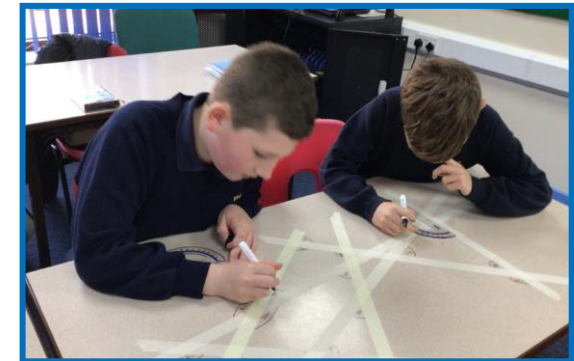

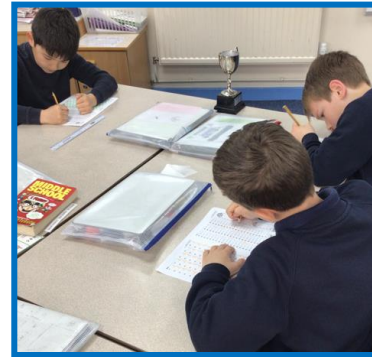

We promote perseverance and resilience through our maths teaching.

We apply a teaching for mastery approach.

We expose all of our children to fluency, reasoning and problem solving.

We use Times Tables Rock Stars to develop our multiplication and division skills.

We continuously recap skills to ensure that they are embedded.

We develop our mathematical vocabulary throughout school.

We apply our maths skills to real life problems.
