

We are committed to Staff Training

- KCSIE updates on first day of school year in the whole school training day.
- Safeguarding is a standing Staff Meeting Agenda Item to maintain the culture of safeguarding. Child on Child Abuse is part of the cycle of topics revisited over the year.

We are committed to a Preventative Curriculum for Child-on Child Abuse

The Islington PSHE and Jigsaw curriculum makes sure children are taught about safeguarding, including how to stay safe online. They also cover (in an age-appropriate and inclusive way) issues such as:

- Healthy and respectful relationships
- What respectful behaviour looks like
- Consent
- Gender roles, stereotyping and equality
- Body confidence and self-esteem
- Prejudiced behaviour
- Sexual violence and sexual harassment

Implementing a Preventative Curriculum

- Our curriculum supports healthy relationships and challenges attitudes that can grow into disrespect and violence if unchallenged. This is based on pages 18 and 19 of the DfE's [guidance](#) on Sexual violence and Sexual harassment.
- We are members of the PSHE Association and access their high-quality resources.
- Jigsaw and the Islington You, Me and PSHE scheme is a spiral curriculum that allows pupils to return to key themes over time, in age appropriate ways, building on prior learning.
- Our PSHE approach is whole school, starting in EYFS. It also complements policies like Behaviour, Anti-Bullying and the Colton Code.
- We have a confident leader for PSHE across school and a Mental Health First Aider.
- Circle Time supports our PSHE curriculum and pupil voice is valued. Children choose a 'Trusted Adult' when they join our school and these are regularly reviewed.
- Carefully chosen external contributors are occasionally used to supplement the curriculum e.g. work with our local PCSO and the Leeds Safeguarding Team.

Impact on Pupils

- Understanding what abusive behaviour is
- Communication skills to speak out about abusive behaviour
- Developing empathy to encourage respect for others and the ability to see the world from others' perspective.

PSHE lessons always include 'reflection or thinking time' that allows children to demonstrate their learning and progress.

Resources we use

- Child Exploitation and Online Protection (CEOP) [resources](#). These include videos, toolkits and activities that can be used in lessons and assemblies or shared with parents.
- Childnet International has an [online safety PSHE toolkit](#) with films and lesson plans exploring:
 - Cyber-bullying
 - Sexting
 - Peer pressure
 - Self-esteem
- The National Society for the Prevention of Cruelty to Children (NSPCC) has a range of [safeguarding teaching resources](#) including lesson plans on personal safety, healthy relationships and online bullying. Its '[Speak out Stay safe](#)' programme also includes interactive assemblies and workshops on safeguarding for pupils in KS1 and KS2.
